

I am writing because I DO NOT WANT LPFM TO HAVE PRIORITY OVER FM TRANSLATOR SERVICE. We listen to K-LOVE most all the time at home, while running errands, and while traveling to other states. K-LOVE is important to us because we love the UPLIFTING Christian music and FAMILY FRIENDLY PROGRAMMING. Many of us in the community would be extremely disappointed to lose this station. It is the only one of its kind around. K-LOVE also serves the public's interest because it offers music that appeals to people of all ages and SUPPORTS WHOLESOME VALUES. It also has a much more POSITIVE AND ENCOURAGING IMPACT ON OUR COMMUNITY than most other stations could offer.
